

Treasure Hunt
Map Skills, part 1

Name: _____

Look at the treasure map below. What do you see? Can you find the jungle? Where is the volcano? What is the name of the cave? What else do you see?

Now find the compass rose. A compass rose shows you which direction is north, south, east, and west. Point to the north end of the island. Point to the east end of the island.

Fill in the blanks with directions from the compass rose: north, south, east, or west.

- 1) Lost Jungle is _____ of Haunted Cave.
- 2) The volcano is _____ of Skull Rock.
- 3) Lobster Cove is _____ of the Hidden Treasure.
- 4) Haunted Cave is _____ of Turtle Swamp.
- 5) _____ is north of the volcano.

Treasure Hunt
Map Skills, part 2

Name: _____

Read the poem *Treasure Hunt*.

Below, create your own island treasure map. Be sure to include a compass rose and a map key. Does your island have rivers? Mountains? Swamps and jungles and lakes? Give fun names to these places. Don't forget the X!
